

Next Generation Rules 2019

What is the Next Generation?

Next Generation is designed for friends and family who are under the age of seventeen, and have the sponsorship of an active PPM member.

It is a great way to introduce our "Next Generation" to print competition.

The entrant will need to follow all print competition rules and pay \$10.00 per image submitted. They will not be eligible for "Photographer of the Year" award. They will not be eligible for any awards/drawings other than the Next Generation category.

There will be one Best of Show award given. There will also be a chance to win ribbons.

If your sponsored child will be participating in the Next Generation competition, please return this form, signed by an active PPM member and your sponsored child. Please include this with all other forms that you will need for competition.

Parent or Guardian Printed Name _____

Parent or Guardian Signature _____

Date _____ Birthday _____
