

LexJet Sunset Print Award

2019 Sunset Print Competition:

The goal for 2019 is to increase the number of photographers having the opportunity to win a Sunset Print Award, while at the same time creating inter-category competitions to recognize the unique “elements of excellence” within a category. The 2019 Sunset Print Awards will be available to Colleges, Camera Clubs, etc., in addition to Professional organizations like PPA. Each competition will be required to meet a set of minimum requirements. If your organization qualifies (150+ printed entries), and is interested in including a Sunset Print Award in your print competition, please complete an application [“Sunset Print Award Application”](#).
